

# The Physical

# 6

*Doctor:* For a man of 60, you're in remarkable shape.

*Man:* Did I say I was 60? I'm 73.

*Doctor:* My goodness, your father must have lived a long life.

*Man:* Did I say my father was dead? He's 92.

*Doctor:* Good grief, man, how long did your grandfather live?

*Man:* Did I say my grandfather was dead? He's 110 and he's getting married next month.

*Doctor:* Why on earth would a 110-year-old man want to get married?

*Man:* Did I say he *wanted* to get married?
